

50+50 = 100 Member Drive Rewards Program

Our Goal: 100 New Business Members in 2010

The Blue Water Area Chamber of Commerce is supported by its business members. You belong to the largest Chamber in the eastern thumb region and it's true that there is strength in numbers. The larger our Chamber, the stronger we are when advocating for our business community at the local, state and federal levels.

To reach our goal of 100 new members by October 29, 2010, a member drive rewards program has been designed to equally reward you, the individual member, as well as your business.

Each time you bring us a new business ready to join, you will be entered to win rewards. The more members you bring us, the better your chances of winning. It's that simple.

Only members in good standing may participate. Program runs from January 1 – October 29, 2010. Winners will be drawn at the Annual Business Awards on Friday, October 29, 2010. Chamber credit to be applied toward Chamber services, events or sponsorships in 2011.

We've got the drive to succeed.
